Corr 01/HS/14.11.24

Hi Folks, please see the following update regarding **Hilton's Security**:

1. **Hilton Security (HS):** We're in the process of establishing the **HS** marketing platform (see Logo above) with its Website (in progress) to promote **Hilton Security** & will launch it early in 2025. **HS** will be the marketing brand for all current & future security initiatives in Hilton (see below list).
The objective of the **HS** platform is to create awareness of, and the need for, **Hilton Security** & to increase support for **Hilton Security**, both in cash and in kind.
2. **A huge Thank You!** - to all those Hilton residents contributing to the **HCSI** over the years & to all those Hilton businesses contributing to the **HCNW** – *please continue your support & please encourage others to do likewise – we need your help!*
3. **Hilton UIP/SRA:** It was the need for increased financial support for Hilton Security that led directly to the concept of a Hilton UIP. Unfortunately, due to insufficient support from Hilton ratepayers, the UIP has been suspended. However, we need to maintain & grow our security network, hence the **HS** marketing platform to inform & promote this.
4. **Hilton SAPS' policing Sector:** This has been extended to include the Sweetwaters areas of Mbutshane, Mkangala, Gandaganda & Mobane. This will have a big impact on SAPS' ability to effectively safeguard Hilton. We therefore need all the help we can get, both in cash & in kind to help Hilton SAPS keep all our communities secure & safe;
5. **HS expenditure:** Contributions to the **HS** cover the following: Street patrols; surveillance, communication & patrol equipment; CCTV & ANPR cameras; undergrowth cutting & clearing; some area & street signage & lighting; palisading vulnerable areas; some pothole repairs; some road patching; security office running costs; some maintenance of SAPS' precinct; keeping SAPS' patrol vehicles operational etc.
6. **HCSI & HCNW (HS) contribution forms:** (see item 2. above). For forms & more information, please contact **John Holliday** on contact details above.
